Re: Sub-Basin 104, 105, & 106
Recommendation of Award

Dear Mr. Whisenhunt:

Bids were received for the Sub-Basin 104, 105, & 106 Project the Office of the City Clerk at City Hall, 212 SW 9th Street Lawton, OK 73501 on Tuesday March 12, 2024. The bids have been checked for accuracy and for compliance with the contract documents.

A total of one (1) bid was received on the Project. Horseshoe Construction, Inc. submitted the responsive bid for the project in the amount of \$4,371,020.00. The Engineer's Opinion of Probable Cost was \$4,435,328.00.

A check of the bid documents indicated no issues with the documentation received.

A review of their current and past projects shows that Horseshoe Construction, Inc. has adequate experience in sanitary sewer line projects across the United States.

The Base Bid results in a final contract price of **four million three hundred seventy-one thousand twenty dollars (\$4,371,020.00)**. If the project is awarded to Horseshoe Construction, Inc., Garver believes that the bid submitted by Horseshoe Construction, Inc., is responsive, responsible, and represents a good value for the City of Lawton. Contingent upon signing the contract and submission of executed bonds, we recommend that the construction contract for the Sub-Basin 104, 105, & 106 Project be awarded to Horseshoe Construction, Inc.

Please call me if you have any questions.

Sincerely,

GARVER, LLC
