Re: Meadowbrook and 67<sup>th</sup> St Waterline Rehab  
Recommendation of Award

Dear Mr. Whisenhunt:

Bids were received for the Meadowbrook and 67<sup>th</sup> St Waterline Rehab (Project) at the Office of the City Clerk at City Hall, 212 SW 9<sup>th</sup> Street Lawton, OK 73501 on Tuesday October 3, 2023. The bids have been checked for accuracy and for compliance with the contract documents.

A total of two (2) bids were received on the Project. Southwest Water Works, LLC submitted the low bid for the project in the amount of \$5,989,880. The Engineer's Opinion of Probable Cost was \$5,470,405.

A check of the bid documents indicated no issues with the documentation received.

A review of their current and past projects shows that Southwest Water Works, LLC has adequate experience in waterline projects across the United States.

The Base Bid results in a final contract price of **five million nine hundred and eighty-nine thousand eight hundred and eighty dollars (\$5,989,880)**. If the project is awarded to Southwest Water Works, LLC, Garver believes that the bid submitted by Southwest Water Works, LLC is responsive, responsible, and represents a good value for the City of Lawton. Contingent upon signing the contract and submission of executed bonds, we recommend that the construction contract for the Meadowbrook and 67<sup>th</sup> St Waterline Rehab be awarded to Southwest Water Works, LLC.

Please call me if you have any questions.

Sincerely,

GARVER, LLC
