Dear Ms. Williams:

I have received your application for the City of Lawton's Public Works Safety Equipment Grant application. I am excited that the City of Lawton is considering the purchase of General Safety Equipment.

With award of this grant, please consider the following. This PWSE Grant is only available to any Municipality once every fiscal year. We want you to be aware of this, so you are able to capitalize and maximize your spending dollars. If you would like to withdraw this grant and consider the best way to maximize your spending, it will not affect a future approval to obtain the maximum benefit available to your Municipality.

The following is an approval you can share with your Council:

To whom it may concern,

The City of Lawton is approved to receive OMAG's Public Works Safety Equipment (PWSE) Grant for the purchase of General Safety Equipment (traffic control). The PWSE Grant is a post purchase, \$2:1 matching funds grant with a maximum benefit of \$2,000.00. Equipment purchased under this grant must be completed on or before 5/23/2024. Given recent supply chain issues, grants not completed on or before the aforementioned date, may be transferred to the next fiscal year; and will be subject to the grant requirements for the next fiscal year.

In the event, delayed delivery of equipment is expected, please notify me at your earliest convenience.

After the equipment is delivered, please send a copy of the invoice, check used and pictures of your public works staff with the equipment. Once these documents are received, a check for the matching funds will be sent within 2 weeks.

If additional information on this or any of [OMAG's Value-Added Services](#) is needed, please feel free to contact me at your convenience.
