Scope of Services

The following apply for all services:

Assistance Our timely completion of services depends on the assistance you provide us in accumulating information and responding to our inquiries. Inaccuracies or delays in providing this information or the responses may result in untimely filings or inability to meet other deadlines.

Responsibility for Outcomes We may perform additional services for you that are not covered by this contract. You agree to assume full responsibility for the substantive outcomes of the contracted services and for any other services we may provide, including any findings that may result.

You also acknowledge these services are adequate for your purposes, and you will establish and monitor the performance of these services to ensure they meet management's objectives. All decisions involving management responsibilities related to these services will be made by you, and you accept full responsibility for such decisions.

We understand you have designated (or will) a management-level individual to be responsible and accountable for overseeing the performance of these services, and you have determined (or will) this individual is qualified to conduct such oversight.

Additional Costs Related to COVID-19 Our fees do not consider additional efforts driven by the SARS-CoV-2 virus and the related COVID-19 (COVID-19) environment. Complexities and uncertainties related to various provisions of new laws and the continued issuance of interpretative and procedural guidance from federal agencies may affect our services. Fees related to COVID-19 activities will be billed based on time expended. Additional efforts or services may include:

- Accounting and auditing issues such as going concern, other-than-temporary impairment of investments, collectability of receivables, inventory valuation, compliance with debt agreements, modification of lease terms, additional major programs subject to Single Audit, etc.

We will also provide you with the following nonattest services:

- We will complete the auditee portion of the Form SF-SAC (Data Collection Form) through the Federal Audit Clearinghouse. We will not make the submission on your behalf. Cynthia Burns, director, is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report(s) upon completion of our audit(s), addressed to the following parties:

Entity Name

CITY OF LAWTON, OKLAHOMA

Party Name

City Council

You are responsible to distribute our reports to other officials who have legal oversight authority or those responsible for acting on audit findings and recommendations, and to others authorized to receive such reports.

The following apply for the audit services described above:

**Our
Responsibilities**

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards require that we plan and perform the audit of the financial statements to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error, and the audit of compliance with the types of compliance requirements

described in the *OMB Compliance Supplement* applicable to each major federal award program to obtain reasonable rather than absolute assurance about whether noncompliance having a direct and material effect on a major federal award program occurred.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

**Limitations &
Fraud**

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance having a direct and material effect may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

In making our risk assessments, we consider internal control relevant to your preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit. Also, in the future, procedures could become inadequate because of changes in conditions or deterioration in design or operation. Two or more people may also circumvent controls, or management may override the system.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and **BKD, LLP**.

Opinion

We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other matter paragraph(s), or withdraw from the engagement. If we discover conditions that may prohibit us from issuing a standard report, we will notify you as well. In such circumstances, further arrangements may be necessary to continue our engagement.

**Your
Responsibilities**

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the following:

- For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (or other basis if indicated in the contract)

- For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
- For identifying and ensuring compliance with the laws, regulations, contracts, and grants applicable to your activities (including your federal award programs)
- To provide us with:
 - Access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters
 - Additional information that we may request for the purpose of the audit
 - Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence

The results of our tests of compliance and internal control over financial reporting performed in connection with our audit of the financial statements may not fully meet the reasonable needs of report users. Management is responsible for obtaining audits, examinations, agreed-upon procedures, or other engagements that satisfy relevant legal, regulatory, or contractual requirements or fully meet other reasonable user needs.

**Written
Confirmations
Required**

As part of our audit process, we will request from management and, if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audits for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

**Peer Review
Report**

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our most recent peer review report accompanies this contract.

**Supplementary
Information**

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

**Implementation of
New Standards**

Unless indicated in our contract, our services and related fees do not include substantive assistance beyond routine advice related to the adoption of new accounting and reporting standards. Should you require assistance, we will bill you at our standard hourly rates.

**Assistance with
Application of
Standards**

Transactions or changes in business may require you to apply existing standards differently each year, such as when business operations create new revenue streams, operations are discontinued, liquidity or operational challenges are encountered, business combinations are executed, etc. We welcome your questions throughout the year and are happy to provide general guidance and routine support; however, our engagement does not include substantive effort to assist you with applying standards to these circumstances, unless otherwise indicated in the contract.

Compilation Services

We will compile, from information provided in the City's audited financial statements, Form SA&I 2643 – Annual Survey of City and Town Finances (the Form) of the City as of June 30, 2021, and for the year then ended in the prescribed format required by Oklahoma Statute, Section 17-105.1 of Title 11 and provided by the Office of the State Auditor and Inspector of the State of Oklahoma.

The objective of our engagement is to:

- Prepare the Form in accordance with the applicable financial reporting framework based on information provided by you
- Assist you in the preparation of the Form without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial information contained in the prescribed form in order for them to be in accordance with the applicable financial reporting framework

Cynthia Burns, director, is responsible for supervising the engagement and authorizing the signing of the report or reports. This engagement will include documentation submission to applicable third parties. Your authorization for such submissions is required in the attachment to this contract.

The following apply for the compilation services described above:

**Our
Responsibilities**

We will conduct our compilation engagement in accordance with Statements on Standards for Accounting and Review Services (SSARS) promulgated by the Accounting and Review Services Committee of the AICPA and comply with the AICPA's *Code of Professional Conduct*, including the ethical principles of integrity, objectivity, professional competence, and due care.

We are not required to, and will not, verify the accuracy or completeness of the information you will provide to us for the engagement or otherwise gather evidence for the purpose of expressing an opinion or a conclusion. Accordingly, we will not express an opinion, a conclusion, nor provide any assurance on the financial information.

**Limitations &
Fraud**

Our engagement cannot be relied upon to identify or disclose any financial information misstatements, including those caused by fraud or error, or to identify or disclose any wrongdoing within the entity or noncompliance with laws and regulations. However, we will inform you of any such matters, if material, that come to our attention.

Report

As part of our engagement, we will issue a report that will state that we did not audit or review the Form and that, accordingly, we do not express an opinion, a conclusion, nor provide any assurance on it.

You agree to include our accountant's compilation report in any document containing financial statements that indicates that we have performed a compilation engagement on such financial statements and, prior to inclusion of the report, to ask our permission to do so.

If, for any reason, we are unable to complete our engagement, we may decline to issue a report as a result of this engagement.

**Your
Responsibilities**

The engagement to be performed is conducted on the basis that management acknowledges and understands that our role is to prepare the Form in accordance with the applicable financial reporting framework and assist management in the presentation of the Form in accordance with the applicable financial reporting framework.  - Additional information that we may request for the purpose of the engagement
 - Unrestricted access to persons within the entity from whom we determine it necessary to make inquiries

You retain responsibility for performing management responsibilities and making management decisions and for designating an individual with suitable skills, knowledge, and experience to oversee our preparation of your financial information. You are responsible for evaluating the adequacy and results of the services performed and accepting responsibility for such services. Accordingly, we will routinely submit to you journal entries, listings of transactions, or other entries or changes for your approval. You should review these items and contact us regarding any questions or changes that you wish to be made. If you approve of these entries, no response is necessary.

New Auditing and Accounting Standards

Fiduciary Activities

Governmental Accounting Standards Board Statement No. 84, *Fiduciary Activities*, is effective for fiscal years beginning after December 15, 2019, with retrospective application in the year the update is first applied. The Statement is expected to significantly change how entities evaluate and report fiduciary activities.

If the entity would like to early adopt or begin the process of preparing for the retrospective application of this Statement during the current year's audit, we can assist you with this process. We will need input and assistance from the accounting department throughout the process of implementation.

Leases

Governmental Accounting Standards Board Statement No. 87, *Leases*, is effective for fiscal years beginning after June 15, 2021. Early application is encouraged.

Statement No. 87 establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources. We can assist you with the adoption by providing services which may include, but are not limited to:

- Assessing your readiness by assisting with the evaluation of your:
 - Current controls and policies
 - Current internal resources and system capabilities
- Assisting with changes required to adopt Statement No. 87, including:
 - Assisting with information gathering to develop an inventory of all lease agreements, service contracts, and other arrangements that may contain right-to-use lease assets
 - Recommending enhancements to existing controls and policies or suggesting new controls and policies to address Statement No. 87
 - Documenting any changes from your previous lease recognition and reporting methods
 - Drafting the required disclosures

The time it will take to perform the above assistance and our additional audit procedures relating to the adoption of the Statement, and any time to assist you with the adoption, may be minimized to the extent your personnel will be available to provide timely and accurate documentation and information as requested by us.

HIPAA Business Associate Agreement

We agree not to use or disclose Protected Health Information ("PHI") obtained or produced in any form of media during the course of our work in a manner prohibited by the *Health Insurance Portability and Accountability Act of 1996* ("HIPAA"), as amended. We may use or disclose PHI for purposes of (a) performing our engagement, (b) management and administration of BKD, or (c) carrying out legal responsibilities of BKD. We will not further disclose information except as permitted or required by this contract or as required by law. When using or disclosing PHI in relation to this engagement, we will limit disclosures as required by HIPAA. We will not use PHI in any marketing activities in a manner that would violate HIPAA. We represent to you that we have implemented what we consider to be appropriate administrative, physical, and technical safeguards to protect the confidentiality, integrity, and availability of PHI as required for us as a business associate to comply with HIPAA.

With respect to your PHI, we will report to you any breach (as defined in 45 CFR 164.402), material security incident, or use or disclosure not authorized by this agreement and, to the extent practical, assist you in mitigating any harmful effects caused by breaches, material security incidents, or unauthorized uses or disclosures of which we become aware. To assist you in fulfilling your responsibility to notify impacted individuals and others of a breach involving unsecured PHI (as required under 45 CFR 164.400 et seq.), in this report we will identify to you, to the extent reasonably possible:

1. Each individual whose unsecured PHI was subject to the breach.
2. Any other available information you are required to include in your notification to such individual(s) or others under 45 CFR 164.404(c).

We agree that any material violation of these confidentiality provisions by us entitles you to terminate this engagement. Similarly, if we become aware of a violation of HIPAA by you that cannot be or is not timely cured, we may be obligated to terminate this engagement.

BKD agrees to:

1. Upon their request, make available to the Secretary of Health and Human Services (HHS) our internal practices and books and records relating to the use and disclosure of PHI for purposes of determining your compliance with the Security and Privacy Rule, subject to any applicable legal privileges.
2. Make available information necessary for you to make an accounting of disclosures of PHI about an individual.
3. To the extent we maintain information that is part of a Designated Record Set, make available information necessary for you to respond to requests by individuals for access to PHI that is not in your possession but is considered part of a Designated Record Set.
4. Upon receipt of a written request from you, incorporate any amendments or corrections to PHI contained in our workpapers in accordance with the Security and Privacy Rule to the extent such PHI is considered part of a Designated Record Set.

For purposes of this agreement, the term “Security and Privacy Rule” refers to the final rules published to implement the Administrative Simplification provisions of the *Health Insurance Portability and Accountability Act of 1996*, specifically 45 CFR Parts 160 and 164. The terms “Protected Health Information” and “Designated Record Set” have the same meaning as defined in the Security and Privacy Rule.

At the conclusion or termination of this engagement, any PHI retained by us will be subject to the same safeguards as for active engagements.

We will obtain from any agents, including subcontractors, to whom we provide PHI received from you, or created or received by us on behalf of you, an agreement to the same restrictions and conditions that apply to us with respect to such PHI.

To the extent that any relevant provision of HIPAA is eliminated or held to be invalid by a court of competent jurisdiction, the corresponding portion of this agreement shall be deemed of no force and effect for any purpose. To the extent that any relevant provision of HIPAA is materially amended in a manner that changes the obligations of business associates or covered entities that are embodied in term(s) of this engagement, the Parties agree to negotiate in good faith appropriate amendment(s) to this engagement to give effect to such revised obligations. In addition, the terms of this engagement should be construed in light of any interpretation and/or guidance on HIPAA issued by HHS from time to time.

For the purposes of the Terms and Conditions, any reference to "Firm," "We," "Us," or "Our" is a reference to **BKD, LLP** ("BKD"), and any reference to "You" or "Your" is a reference to the party or parties that have engaged Us to provide services.

BILLING, PAYMENT, & TERMINATION

2. **Billing and Payment Terms.** We will bill You for Our professional fees and costs as outlined in Our contract. Interest will be charged on any unpaid balance after 30 days at the rate of 10 percent per annum, or as allowed by law at the earliest date thereafter, and highest applicable rate if less than 10 percent.

We reserve the right to suspend or terminate Our work for this engagement or any other engagement for nonpayment of fees. If Our work is suspended or terminated, You agree that We will not be responsible for Your failure to meet governmental and other deadlines, for any penalties or interest that may be assessed against You resulting from Your failure to meet such deadlines, and for any other damages (including but not limited to consequential, indirect, lost profits, or punitive damages) incurred as a result of the suspension or termination of Our services.

Our fees may increase if Our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards. Our engagement fees do not include any time for post-engagement consultation with Your personnel or third parties, consent letters and related procedures for the use of Our reports in offering documents, inquiries from regulators, or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

3. **Billing Records.** If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, We agree to make available to the Secretary of Health and Human Services, or to the U.S. Comptroller General, or any of their duly authorized representatives, such of Our books, documents, and records that are necessary to certify the nature and extent of Our services, until the expiration of four (4) years after the furnishing of these services. This contract allows access to contracts of a similar nature between subcontractors and related organizations of the subcontractor, and to their books, documents, and records.

Both parties must agree, in writing, to any future modifications or extensions. If services are terminated, You agree to pay BKD for time expended to date. In addition, You will be billed costs and fees for services from other professionals, if any, as well as an administrative fee of four (4) percent to cover items such as copies, postage and other delivery charges, supplies, technology-related costs such as software licensing, user access, and research tools, and similar expense items.

5. **Mediation.** Any dispute arising out of or related to this engagement will, prior to resorting to litigation, be submitted for nonbinding mediation upon written request by either party. Both parties agree to try in good faith to settle the dispute in mediation. Unless the parties agree otherwise, the American Arbitration Association ("AAA") will administer any such mediation in accordance with its Commercial Mediation Rules. The mediator will be selected by agreement of the parties. If We cannot agree, a mediator shall be designated by the AAA. The mediation proceeding shall be confidential. Each party will bear its own costs in the mediation, but the fees and expenses of the mediator will be shared equally.
6. **Indemnification.** Unless disallowed by law or applicable professional standards, You agree to hold BKD harmless from any and all claims which arise from knowing misrepresentations to BKD, or the intentional withholding or concealment of information from BKD by Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. You also agree to indemnify BKD for any claims made against BKD by third parties, which arise from any wrongful actions of Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. The provisions of this paragraph shall apply regardless of the nature of the claim.

This time limitation shall apply regardless of whether BKD performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or the service of suit based on a breach of this contract or the acts or omissions of BKD in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.
8. **Limitation of Liability.** You agree that BKD's liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. This limitation shall not apply to the extent it is finally, judicially determined that the liability resulted from the intentional or willful misconduct of BKD or if enforcement of this provision is disallowed by applicable law or professional standards.
9. **Waiver of Certain Damages.** In no event shall BKD be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise.
10. **Severability.** If any portion of this contract is deemed invalid or unenforceable, said finding shall not operate to invalidate the remainder of the terms set forth in this contract.

11. **Assignment.** You acknowledge and agree that the terms and conditions of this contract shall be binding upon and inure to the parties' successors and assigns, subject to applicable laws and regulations.
12. **Disclaimer of Legal or Investment Advice.** Our services do not constitute legal or investment advice.

Any new forms, software, documents, or intellectual property We develop during this engagement for Your use shall belong to Us, and You shall have the limited right to use them solely within Your business. All reports, templates, manuals, forms, checklists, questionnaires, letters, agreements, and other documents which We make available to You

are confidential and proprietary to Us. Neither You, nor any of Your agents, will copy, electronically store, reproduce, or make any such documents available to anyone other than Your personnel. This provision will apply to all materials whether in digital, "hard copy" format, or other medium.

REGULATORY

17. **U.S. Securities and Exchange Commission ("SEC") and other Regulatory Bodies.** Where We are providing services either for (a) an entity that is registered with the SEC, (b) an affiliate of such registrant, or (c) an entity or affiliate that is subject to rules, regulations, or standards beyond those of the American Institute of Certified Public Accountants ("AICPA"), any term of this contract that would be prohibited by or impair Our independence under applicable law or regulation shall not apply to the extent necessary only to avoid such prohibition or impairment.
18. **Offering Document.** You may wish to include Our report(s) on financial statements in an exempt offering document. You agree that any report, including any auditor's report, or reference to Our firm, will not be included in any such offering document without notifying us. Any agreement to perform work in connection with an exempt offering document, including providing agreement for the use of the auditor's report in the exempt offering document, will be a separate engagement.

Any exempt offering document issued by You with which We are not involved will clearly indicate that We are not involved by including a disclosure such as, "**BKD, LLP**, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. **BKD, LLP** also has not performed any procedures relating to this offering document."

19. **BKD Not a Municipal Advisor.** BKD is not acting as Your municipal advisor under Section 15B of the *Securities Exchange Act of 1934*, as amended. As such, BKD is not recommending any action to You and does not owe You a fiduciary duty with respect to any information or communications regarding municipal financial products or the issuance of municipal securities. You should discuss such matters with internal or external advisors and experts You deem appropriate before acting on any such information or material provided by BKD.

TECHNOLOGY

20. **Electronic Sites.** You agree to notify Us if You desire to place Our report(s), including any reports on Your financial statements, along with other information, such as a report by management or those charged with governance on operations, financial summaries or highlights, financial ratios, etc., on an electronic site. You recognize that We have no responsibility to review information contained in electronic sites.
21. **Electronic Signatures and Counterparts.** This contract and other documents to be delivered pursuant to this contract may be executed in one or more counterparts, each of which will be deemed to be an original copy and all of which, when taken together, will be deemed to constitute one and the same agreement or document, and will be effective when counterparts have been signed by each of the parties and delivered to the other parties. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this

contract are intended to authenticate this writing and to have the same force and effect as manual signatures. Delivery of a copy of this contract or any other document contemplated hereby, bearing an original manual or electronic signature by facsimile transmission (including a facsimile delivered via the internet), by electronic mail in "portable document format" (".pdf") or similar format intended to preserve the original graphic and pictorial appearance of a document, or through the use of electronic signature software, will have the same effect as physical delivery of the paper document bearing an original signature.

22. **Electronic Data Communication and Storage.** In the interest of facilitating Our services to You, We may send data over the internet, temporarily store electronic data via computer software applications hosted remotely on the internet, or utilize cloud-based storage. Your confidential electronic data may be transmitted or stored using these methods. In using these data communication and storage methods, We employ measures designed to maintain data security. We use reasonable efforts to keep such communications and electronic data secure in accordance with Our obligations under applicable laws, regulations, and professional standards.

You recognize and accept that We have no control over the unauthorized interception or breach of any communications or electronic data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by us. You consent to Our use of these electronic devices and applications during this engagement.

OTHER MATTERS

23. **Third-Party Service Providers.** BKD may from time to time utilize third-party service providers, e.g., domestic software processors or legal counsel, or disclose confidential information about You to third-party service providers in serving Your account. BKD maintains, however, internal policies, procedures, and safeguards to protect the confidentiality and security of Your information. In addition, BKD will secure confidentiality agreements with all service providers to maintain the confidentiality of Your information. If We are unable to secure an appropriate confidentiality agreement, You will be asked to consent prior to BKD sharing Your confidential information with the third-party service provider.
24. **Independent Contractor.** When providing services to You, We will be functioning as an independent contractor; and in no event will We or any of Our employees be an officer of You, nor will Our relationship be that of joint venturers, partners, employer and employee, principal and agent, or any similar relationship giving rise to a fiduciary duty to You.
25. **Use of BKD Name.** Any time You intend to reference BKD's firm name in any manner in any published materials, including on an electronic site, You agree to provide Us with draft materials for review and approval before publishing or posting such information.
26. **Praxity.** BKD is an independent accounting firm allowed to use the name "Praxity" in relation to its practice. BKD is not connected, however, by ownership with any other firm using the name "Praxity." BKD will be solely responsible for all work carried out on Your behalf. In deciding to engage BKD, You acknowledge that We have not represented to You that any other firm using the name "Praxity" will in any way be responsible for Our work.

27. **BKD Status as LLP.** BKD is a registered limited liability partnership under Missouri law. Under applicable professional standards, partners of **BKD, LLP** have the same responsibilities as do partners in a general accounting and consulting partnership with respect to conformance by themselves and other professionals in BKD with their professional and ethical obligations. However, partners in a registered limited liability partnership do not have individual civil liability, directly or indirectly, for any debts, obligations, or liabilities of or chargeable to the registered limited liability partnership or each other, whether arising in tort, contract, or otherwise.
28. **Entire Agreement.** The contract, including this *Terms and Conditions Addendum* and any other attachments or addenda, encompasses the entire agreement between You and BKD and supersedes all previous understandings and agreements between the parties, whether oral or written. Any modification to the terms of this contract must be made in writing and signed by both You and BKD.
29. **Force Majeure.** We shall not be held responsible for any failure to fulfill Our obligations if such failure was caused by circumstances beyond Our control.
