Legislation Text

File #: 24-1741, **Version:** 1

ITEM TITLE:

Consider approving construction plans for an offsite improvement modifying the traffic control system to serve property located at 151 NW Sheridan and take appropriate action as deemed necessary.

INITIATOR: Christine James, Planning Director

STAFF INFORMATION SOURCE: Kameron Good, Senior Planner

BACKGROUND: Construction plans have been submitted for the modification of the traffic signals located on NW Sheridan Road just north of W Gore Blvd. This will modify it from a three way signal to a four way signal. This will allow direct access to Braum's parking lot off of NW Sheridan Road. The proposed business is Braum's and the consulting engineer is Tanner Consulting, LLC.

A third-party Traffic Engineer reviewed the plans on behalf of the City. B.J. Hawkins, P.E. with Traffic Engineering Consultants, INC has reviewed the plans and recommends approval.

This was taken to the City Planning Commission on June 27, 2024 and they recommended approval.

EXHIBIT: Traffic Improvement Plans

KEY ISSUES: None

FUNDING SOURCE: N/A

CPC RECOMMENDED COUNCIL ACTION: Approve the construction plans for an offsite improvement modifying the traffic control system to serve property located at 151 NW Sheridan.
