BACKGROUND: The City of Lawton solicited bids for (CL21-023) Bulk Fuel. Eleven (11) bid packers were mailed with three (3) bid packets received. After reviewing the bids, it is the department's recommendation that the contract be awarded in the following manner: Public Works site to Glenn Oil Company, LLC (primary), Carey Johnson Oil Company Inc. (secondary), and Petroleum Traders Corporation (tertiary); for Lakes Lawtonka and Ellsworth sites to Carey Johnson Oil Company, Inc. (primary), Glenn Oil Company, LLC (secondary), and Petroleum Traders Corporation (tertiary); for Landfill, Medicine Park Water Treatment Plant, Wastewater Treatment Plant, and all emergency generator sites to Glenn Oil Company, LLC (primary) and Petroleum Traders Corporation (secondary). It is desirable to award a secondary and tertiary provider to ensure fuel availability if the primary supplier is unable to meet needed fuel demands.
